Examiner's amendment

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 22, line 5: after "**along**" delete -- **the** --.

The examiner's amendment has been made in order to place the application in a condition for allowance.

DETAILED ACTION

Priority

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

3. This office acknowledge receipt of the following items from the Applicant:
Information Disclosure Statement (IDS) filed on January 02, 2004.
4. Information disclosed and list on PTO 1449 was considered.

Art Unit: 2824

Allowable Subject Matter

5. Claims 1- 25 are allowed over the art of record.
6. The following is an examiner's statement of reasons for allowance: There is no suggestion or teaching in the art of record to provide magnetic memory device and a method for driving a magnetic memory comprising two or more memory layers and two or more tunnel layers that are stacked in a thickness direction of the layers, wherein a resistance change caused by magnetization reversal in a group of first layers differs from a resistance change caused by magnetization reversal in a group of second layers, in combination with the remaining claimed limitations as recited in the independent claims 1 and 15, nor is there suggestion or teaching magnetization reversal of a magnetic filed that is produced by a plurality of currents including a current flowing through the memory layer in its thickness direction as recited in the independent claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
